Croatian artist Vlado Franjevic is to participate in the International Drawing exhibition in Mauritius which starts next week.

The exhibition will take place at the Malcolm de Chazal Art Gallery in the Lake Point area of Mauritius from October 3 to 14.

The Liechtenstein-based artist will exhibit two of his art works at the exhibition, which is organised by non-governmental organisation Action for Artistic Creativity. The organisation is affiliated with the International Association of Art, a branch of UNESCO.

The exhibition has a strong Asian presence. Some of the names taking part include:
